- Mysql

EDUCATION

INTERMEDIATE
Field of Commerce
Govt. Premier College | 2021 - 2022

DIPLOMA
Software Engineering
Aptech | 2021 - current

EXPERIENCE

INSTITUTE PROJECTS

During my time at the institute, I worked on various projects that improved my technical skills and teamwork abilities. From building websites to creating web applications, each project taught me to solve problems creatively and collaborate effectively. Working closely with instructors and peers, I learned industry best practices and gained confidence in delivering quality solutions on time and within budget. These experiences prepared me well for real-world challenges in web development.
